

To: All Suppliers, Trade Partners, Globe Technologies Employess  
From: Globe Technologies Management Team  
Date: March 31, 2020  
Subject: Designation of Globe Technologies Critical Employees

.....

Please accept this notice as a follow up to letters generated on March 23, 2020 with regard to designations of Globe Technologies as an essential business providing critical products and services to critical infrastructure facilities and the letter generated on the same date identifying employees at Globe Technologies as “Critical Infrastructure Workers”

This memo is generated for compliance to the Executive Order 2020-21 initiated from the Office of Governor Whitmer further identifying the designation of individual employees working for Globe Technologies as “Critical Infrastructure Workers”.

The following employee list has been designated critical infrastructure workers.

Globe Technologies, Inc. Critical Infrastructure Workers as of March 31, 2020
